

Parameter	Value
Additional Features	Dyson digital motor - Brushless DC motor, NSF accredited, Carbon trust accredited, 60% smaller. The most hygienic hand dryer. Costs less to run. Touch-free operation. Small carbon footprint. Slim profile. Improved acoustics. Quick to clean. 5 year guarantee
Air Filtration Efficiency	99.9 bacteria removal%
Air Speed at hands	Cu.ft/min
Airflow	up to 30 litres/sec
Box Depth	455 mm
Box Length	145 mm
Box Width	274 mm
Brand Name	AE12 High Voltage ABS Nk
Colour	Sprayed nickel moulded plastic
Colour	Nickel
Construction	Polycarbonate casing. Antimicrobial additive in paint. ABS/PBT Plastic backplate. Anti-tamper M4 Pin-Hex.
Drying Time	10 Seconds
EAN Code	5025155C15978
Launch Month	March 2015
Launch TSB	HD264 / HD310 (LT) / HD326 (LB)
Machine Depth	100 mm
Machine Input Power	1600watts
Machine Length	394 mm
Machine Voltage Rating	160-264 volts
Machine Width	234 mm
Motor Speed	90 kRpm
Notes	Launching in Europe/Russia/Switzerland/Lithuania/Lebanon
Packaged Weight	4.7 kg
Serial Number Prefix	FS8 XD
SKU Number	301827-01
Sound Level	86 dBA
Standby Power Consumption	Less than <0.5watts
Unboxed Weight	2.2 kg
Water Ingress rating	IP24
